Mr. William B. Macomber, Jr.

[Redacted]  
Dear Bill:

I truly regret your leaving your present assignment. Certainly over the years of our association you have been of tremendous assistance to the Agency and to me personally. It is hoped that in some small way the Agency has reciprocated.

On the brighter side, however, it was with great pleasure that I learned of your designation as Ambassador to Jordan. At least the Government has not lost the benefit of your services.

My heartiest congratulations and best wishes in your new assignment.

Sincerely,

SIGNED

John S. Warner
